KOLPIN® X-PANSION (KXP)

Finally... a Selection of Kolpin Accessories Compatible with Polaris® Composite Racks using the Polaris® Lock & Ride™ System

The new Kolpin X-Pansion system (KXP) uses our unique expansion plunger - Simply attach, tighten with NO tools, and ride! Specially designed mounting plates line up your Kolpin® accessory perfectly with existing O.E.M. rack mounts. The Kolpin® KXP system provides secure accessory positioning with quick and easy changeover.

Now you can attach all of Kolpin® world famous Gun Boot® cases, including the newest Kolpin Gun Boot® 6.0 case or Tactical Gun Boot® case - all with a twist of the wrist. Quickly mount our handy Fuel Pack Jr. for extra fuel on a trail ride... or use our versatile Rhino Grip holders to carry utility tools... whatever your use requires, we have you covered! Purchase extra KXP plungers to attach Kolpin molded boxes or even your own accessories - the possibilities are endless!

HIGH BAR BOW LOCKER™**

- Bow can be secured in full view directly in front of you to ensure it's safety. Rubber-coated holders (patent pending) are rotated to fit limb angles, then clamped tight to secure all bows including "Slim Limb" and parallel limb models
- Includes mount frame and one set of Bow Lockers™
- Attaches with easy mount system (no tools required)
- Mount frames fit all ATV racks including most composites

56-6054 \$79.99

**CYCLE COUNTRY™
HIGH BAR BUCKET LOCKER™**

- Carries (2) 5 or 6-gallon buckets securely
- Rubber coated locker eliminates rattling and noise
- Stretchable top strap secures buckets in lockers
- Heavy buckets can rest on rack during transport
- Attaches with easy mount system (no tools required)

56-6973 \$89.99

GREAT DAY INC. UTV UTILITY RACK **NEW**

- Adds an extra dimension of usefulness to a UTV
- Mounts to the UTV bed and provides an extension of the UTV's cab frame, providing a place to transport bulky but lightweight equipment and materials
- Ideal for hauling canoes, kayaks, and ladders
- Constructed of 1-1/2" aircraft aluminum, weighs 22 lbs and is shippable by UPS (comes in 47"x34"x4" carton)
- Utility rack rated for loads weighing up to 100 lbs
- Easy to assemble and installs in minutes with regular hand tools
- Comes with 2 guide rail posts with eye bolt tie downs mounted at the top of the rear frame and also includes 2 cinching straps
- The bed tilt mechanism is still functional when there is no load on the utility rack
- NEVER exceed the stated weight limit when using this product
- NEVER allow a person to climb or ride on the Utility Rack
- ALWAYS be sure any equipment, materials or load of any kind are totally secured before transporting

GREAT DAY INC. HITCH-N-RIDE DRY HAUL **NEW**

- New look for hitch receiver cargo carriers: more haul capacity, protection from rain, moisture and dust
- Store clothes, supplies or serve as a temporary ice chest with drain plug and features a lockable cover
- Aircraft aluminum construction provides 400 lbs. of carrying capacity
- Dry Haul storage case fits inside the Magnum Hitch-N-Ride rack but can be removed and serve as a portable storage, with wheels on one end just grab the handles and go
- Includes Magnum Hitch-N-Ride rack (12"H x 22"W x 50"L) and Dry Haul storage case (11"H x 22" x 48"L)
- Shipping weight: 42 lbs. and ships by UPS
- Fits on any 2" receiver
- Recommend using with the Hitch-N-Ride Stabilizer (p/N 40-3493)

40-3509 \$399.00

GREAT DAY INC. HITCH-N-RIDE STABILIZER

- Helps stop the rattling and swaying caused from loose hitch receiver
- Easy to install, just slips over the trailer hitch and tighten screws
- 2 stabilizing 3/8" screws applying vertical and horizontal pressure on the hitch
- Constructed of high-carbon steel
- Made in the USA
- Recommend using with the Hitch-N-Ride (P/N 40-3409)

40-3493 \$33.00

GREAT DAY INC. CARRIERS

GREAT DAY INC. ATV/UTV HITCH-N-RIDE

- Adds a new dimension of packing capacity to any ATV/UTV vehicle with a 2" hitch receiver
- The "Z-bar" attachment bar allows clearance for traveling over rugged and uneven terrain
- Perfect for hauling hunting equipment, cooler, firewood and wild game
- Constructed of aircraft aluminum, weighs only 22 lbs. and can handle up to 400 lbs.
- Low center of gravity, loading and unloading the Hitch-N-Ride eliminates a lot of backbreaking stress and strain
- 22" x 50" x 6" carrying cradle provides lots of tiedown
- Made in USA
- Recommend using with the Hitch-N-Ride Stabilizer (P/N 40-3493)

40-3492 \$190.99

GREAT DAY INC. THE QUICK DRAW™ GUN RACK

- Fits all "little truck" type utility vehicles (Kawasaki Mule, Polaris Ranger, John Deere Gator, golf cart style vehicles, etc.)
- Mounts in a stand-alone fashion and can be positioned for quick access and maximum use of passenger space
- Holds 2 guns (rifle, shotgun or muzzle-loader) securely and protected in a soft, plastic-coated, spring steel cradle
- Comes complete with all necessary hardware for quick and easy installation

40-3471 \$105.99

GREAT DAY INC. QUICK DRAW OVERHEAD GUN RACK

- Holds 2 guns overhead with easy access
- Protects guns from weather
- Easy to mount, no drilling or bolting
- Super-soft rubber gun clips provide easy access and a secure transport
- Fits on roof frame back to front

GREAT DAY INC. THE POWER LOADER™

- Extends the loading basket all the way to ground level to make loading possible without any lifting
- Retracts as it is loading to reduce the leverage factor to a functional level
- Here are some of the recommended uses for work or play:
 - Loading and transporting deer or other game
 - Loading and transporting any recreational equipment that does not exceed the 250 lb. weight limit—ice chests, camping equipment, tree stands, etc.
 - Lifting miscellaneous objects within the weight limit to a working height or to be transported—toolboxes, light equipment, sacks of feed, seed or fertilizer, bales of hay, firewood, etc.
